KoolShot is a long standing delivery solution both locally and nationally throughout the United States with equipment surrounding the nations largest metro areas. At KoolShot, we're not just an every day vehicle outfitted with a nice cooler or insulated delivery bags. Our vehicles are fully equipped with temperature-controlled refrigeration and deep freezer units so that we can specifically tailor our temperature-controls according to the needs of your load. We're fully compliant with the Food Safety Modernization Act and lead the way in technology.
